MEMORANDUM FOR: DD/R

SUBJECT : Report to the DDCI re Progress Made in
Carrying Out the Approved Recommendations
of the Inspector General Survey of OSA (DPD)

REFERENCE : [REDACTED] dated 18 August 1962; same subject

1. This memorandum contains suggested responses for the DD/R when preparing the overall DD/R report to the DDCI regarding progress achieved in carrying out the approved recommendation of the Inspector General's Survey. We have limited our responses to those actions primarily the concern of OSA, assuming that the DD/R will coordinate and collect those items that are now the responsibility of the DD/R OEL and the DD/R itself.

3. Reference paragraph 3 ref. With the establishment of the National Reconnaissance Office, responsibility for effecting improved quality of vehicle and camera capabilities as well as overall programming and operations, will rest with the NRO. The DD/R is continuing, however, under the NRO concept to develop new and improved systems for the CORONA/MURAL Program and follow-on satellite projects. Control of launch pads, stand-by vehicles and fast programming is now the responsibility of the DIRECTOR, NRO.
